

## FACILITIES USAGE FEES

It is the philosophy of the Board to make available the facilities of the district to organizations as often as possible, and for as little cost as possible. Because the school district incurs additional costs when facilities are being used beyond normal hours, it is necessary to pass along some of these costs to the using groups.

The use of all school facilities must be in accordance with the district's policy, and accordingly, using groups are distinguished by category and a schedule of charges is established as follows:

**Category 1:** Organizations directly associated with the district and recognized by the Board.

**Category 2:** Youth-oriented organizations of a semi-educational and/or recreational nature not directly associated with the district, such as Boy Scouts, Girl Scouts, BMYSA, DYB, mini-football, baseball/softball, etc.

**Category 3:** Governmental organizations.

**Category 4:** Nonprofit organizations.

**Category 5:** P.I.A.A. activities, such as playoffs.

**Category 6:** For-profit organizations.
